PATTERN #WNW2212 | SYMPHONY TEXTURES

Snow

Symphony Textures Collection is a combination of various natural fibers that are woven to create a timeless wallcovering. Within the 79 textured wallpapers you will find Paperweaves, Arrowroot, Sisal, Abacca, Jute, Silk Raffi, and Linen String. These papers are all Class A, making them suitable for commercial or residential use. The Sonata Weave, is colorfast and packaged as a 12 yard roll, making this the perfect paper for large center halls or commercial applications where ceiling heights are taller. Every pattern in the Symphony Collection is 36" wide, priced by the roll and packaged as either an 8 or 12 yard roll.
